Pledge Disclaimer & Statement

This document accompanies a voluntary declaration supporting knowledge, understanding, personal growth, unity, and the well-being of humanity. Read these disclosures before signing or sharing the certificate.

01 MEMBERSHIP IS NOT FOR SALE

Membership cannot be bought, sold, traded, transferred, or guaranteed through a payment. No fee, donation, cryptocurrency, medallion, token, agent, or special purchase is required or requested for this pledge. Downloading or signing this certificate does **not** grant membership in any organization.

02 NO OFFICIAL AFFILIATION OR AUTHORIZATION

This is a symbolic, personal pledge. The name, artwork, eye, triangle, and decorative seals are **not proof** of official membership, approval, sponsorship, authority, or authentication by any organization or governmental body.

03 NO SOUL, SACRIFICE, OR SURRENDER OF RIGHTS

The pledge does not involve the purchase, sale, transfer, or surrender of a soul, spirit, body, conscience, identity, property, beliefs, or personal freedom. No ritual, sacrifice, secrecy requirement, or obligation of obedience is created.

04 VOLUNTARY; NO CONTRACT OR PROMISE OF BENEFITS

Signing is entirely optional and for personal expression and recordkeeping. This pledge is **not a legal contract, application, employment offer, or membership credential**. It creates no enforceable duty, financial obligation, entitlement, penalty, or guarantee of money, wealth, power, status, or opportunities.

05 FRAUD AND PRIVACY WARNING

Do not send money, banking details, passwords, identity documents, or sensitive personal information to anyone offering admission, special privileges, or guaranteed rewards in connection with this certificate. Such requests may be fraudulent. Use official reporting channels if you suspect impersonation or fraud.

06 SIGNATURES, COPIES, AND DISTRIBUTION

Each person may retain their own signed copy. A certificate-based digital signature can help detect later changes; it does not establish organizational status. Distributors must have the necessary rights to use any artwork or marks and must not present the certificate as official authorization.
